PROFESSIONAL SUMMARY

Driven BCA graduate with hands-on experience building full-stack web systems and analysing real-world datasets. Proficient in Python, PHP, SQL, and JavaScript, with certifications from Google, HP, and Infosys. Proven ability to independently ship end-to-end projects, lead campus initiatives, and learn fast in high-growth environments. Seeking a first professional role in Software Development, Data Science, or AI where I can contribute from day one.

TECHNICAL SKILLS

Languages	Python, Java, C, C++, PHP, SQL
Web Development	HTML5, CSS3, JavaScript
Data & Analytics	Data Science, Exploratory Data Analysis, Excel, Google Analytics
Tools & Platforms	Git, VS Code, XAMPP, MySQL
Soft Skills	Leadership, Public Speaking, Creative Problem-Solving, Team Coordination

INTERNSHIP EXPERIENCE

Data Science Intern · Teachnook	Dec 2023 · 3 Months
- Cleaned and preprocessed 5+ real-world datasets, resolving missing values, duplicates, and inconsistencies to improve data quality. - Performed exploratory data analysis (EDA) to surface trends and patterns, informing data-driven decisions. - Built visualisation dashboards using Python to communicate findings clearly to non-technical stakeholders.	

PROJECTS

Rent-a-Drive — Car Rental Management System	PHP · SQL · HTML · JavaScript · CSS
- Architected and deployed a full-stack web application supporting vehicle listing, real-time availability filtering, booking management, and user authentication. - Designed a normalised SQL schema managing 3 core entities — fleet inventory, customer records, and rental transactions — reducing data redundancy. - Engineered a dynamic JavaScript front-end with live booking workflows, eliminating manual reservation processes entirely.	
Hostel Management System	Python · SQL
- Developed a CRUD-based desktop application to manage student records, room allocation, and fee tracking for 100+ students. - Implemented a relational database backend with structured queries, reducing manual record-keeping time significantly.	

EDUCATION

Bachelor of Computer Applications · Presidency College, Bangalore	2023 – 2026
Pre-University Course (PUC) · Yashaswi PU College, Gauribidanur	2021 – 2023
SSLC — Secondary School · Gem School, Bangalore	2020 – 2021

CERTIFICATIONS

Data Science & Analytics	HP	Apr 2025
Basics of Python	Infosys	Jul 2025
Digital Marketing & E-Commerce	Google / Coursera	Aug 2024
Social Media Marketing	HP	Jul 2025
Data Science Course	Teachnook	Dec 2023

CAMPUS ACHIEVEMENTS

Social Media Anchor	Grew college's official social media presence by creating consistent, engaging content across platforms.
Dance Coordinator	Led rehearsal planning and event execution for DISHA Club, coordinating a team of 20+ students.
Marketing Volunteer	Drove email marketing campaigns for Kalopsia college fest, contributing to event outreach and engagement.
IT & DISHA Club	Active volunteer across workshops, technical fests, and college events, building cross-functional collaboration skills.
